OBJECTIVE

To obtain a retail position with Apple in which loving what I do – working with Macs – sits alongside helping others to do the same.

EDUCATION

- **Hendrix College** Conway, AR
Bachelors of Arts, Political Science, May 2007
Dean's List, 2006-2007.
G.P.A. in major: 3.60
 - **Principle Research:** *click arrows to open*
“The Public Sphere and the Participatory Web: The Habermasean Moment Renewed?” [↗](#)
“Presenting a Fifth AIDS Myth: That Barriers to Treatment are Insurmountable” [↗](#)
-

EMPLOYMENT

- **The Sentinel-Record** Hot Springs, AR
Page Designer, News Desk Aug 2007–Present
Design & processing in Photoshop and Illustrator; layout in InDesign. All CS2, on Macs of course.
 - **The Profile** Conway, AR
Production Manager, Mac guru Aug 2005–May 2007
Lead all elements of design, layout, and I.T. support. Trained staff in the same on 10.4 & CS2. [↗](#)
 - **Arkansas Public Policy Panel** Little Rock, AR
Intern: Legislative Tracking Jan–May 2007
Automated data processing using MS Access and Excel.
 - **The Log Cabin Democrat** Conway, AR
Intern: Desk Manager, Sports Dec '05–May 2006
 - **Young Democrats of Arkansas** Conway, AR
Publicity and Press Chair, Hendrix Chapter; April '03–April 2006
Web Developer, Arkansas Chapter
Coordinated communications and designed publicity materials for the 2004 election cycle. [↗](#)
Project manager for the development from scratch of static site for the state-level organization. [↗](#)
 - **TASC: Information Technology** Reading, MA
Intern: New Media Production Jun 2003 –Jan 2004
-

PORTFOLIO

Much of my work is viewable from <http://www.ethanmoore.net>. [↗](#)

TECHNICAL SKILLS

- Over a decade of creatively breaking and attentively troubleshooting Mac software, networking, and hardware. (image of tool that shipped with Macintosh.
- Experience in training
- General geekery; by which I refer to an affinity for problem solving, technological and otherwise.
